

Our role

Inspired by Jesus Christ, our role is to empower the Church as it provides shelter to people in need and journeys with each person, offering physical, social, emotional and spiritual care as an expression of God's love.

Our vision

To see the Church fully embrace its calling to care for the marginalised, by being equipped with the resources, training, and encouragement needed to build lasting transformation in local communities.

Strategic goals

Strengthen & grow our programs

- Strengthen existing programs to meet the needs of those seeking assistance
- Extend our suite of supports offered
- Further enhance our training & development offerings

Expand our digital reach and broader community engagement

- Promote awareness of Stable One's positive impact across various social media platforms
- Pursue opportunities to share our story
- Grow our networking & relationships

Enhance financial sustainability

- Cultivate diverse funding avenues to secure ongoing financial stability
- Source funding to support program delivery
- Explore fee-for-service options through our training & development offerings

Build our people and nurture our culture

- Attract, train and resource staff & volunteers
- Review and enhance internal systems & processes
- Identify and implement training & resources that support professional development to deliver programs
